Dear Homeowner:

Attached, please find a copy of the Christmas In April* Cecil County Homeowner **Channel 2 Application for 2023. A Channel 2 project is a project that cannot wait** until our annual Workday, held the last Saturday in April each year. When submitting this application, you are stating this repair is an **“emergency”** and needs to be done as soon as possible.

Christmas In April facilitates the repair to homes of those who, due to age, disability and financial hardship, cannot do the work themselves.

Skilled and unskilled volunteers give six-to-eight hours of service to help with repairs. Christmas In April is a non-profit organization supported entirely by voluntary contributions of time and money.

The program does have several limitations, however:

CHRISTMAS IN APRIL CANNOT MAKE STRUCTURAL REPAIRS OR UNDERTAKE PROJECTS THAT CANNOT BE COMPLETED IN ONE DAY!

If your house requires structural work, we can refer you to the Cecil County Department of Housing and Community Development.

To be eligible for consideration, the **HOME TO BE REPAIRED MUST BE OWNED AND OCCUPIED BY THE HOMEOWNER AND THE HOMEOWNER MUST BE ELDERLY, LOW INCOME, HANDICAPPED AND/OR DISABLED.**

While there are no income requirements, the program does take need into consideration when making the final selections. In particular, the program is designed to help individuals who have no means to make the needed repairs themselves. Our decision to work on your project is not based on your income.

If approved, the repair(s) will be scheduled by Christmas in April and will be done as soon as possible.
